Re: Section/Division Investment Program

Dear Accounting Manager,

The SPE _____ Section/Division would like to enter the SPE Section/Division Investment Program. Our initial deposit is \$_____ (must be \$1,000.00 or more). Additional deposits will be in increments of \$500.00 or more.

We understand that the funds deposited will earn interest at a rate determined each January, based on the rates that SPE International is earning on long-term cash investments. Interest will be compounded monthly and a report will be issued each month indicating the amount invested, additions and withdrawals and interest earned.

We are also aware that transmittal of funds in excess of \$10,000.00 will not be made until thirty days following receipt of the withdrawal request at SPE International. Either the treasurer or president may sign for withdrawals, but both must sign to close the account.

There are no service charges or withdrawal penalties for this program.

Sincerely,

Authorized Signature (Treasurer)

Authorized Signature (President) or (Chairman)

The above persons have been granted the authority to invest or withdraw funds on behalf of the _____ Section/Division

Authorized Signature (Secretary)
