Action Increases Membership Form

Thank you for taking action to recruit new SPE members.

- Share your experiences with peers and let them know how valuable membership is to you. You can discuss SPE peer-to-peer as one who experiences its benefits as a fellow member.
- Give them an application or referral card and encourage them to join. They can also join online at www.4spe.org/referred. Because you referred them, they will receive a special first year dues rate.
- Let us know who was given an application. Complete either this form or the one online at <http://www.4spe.org/sectionsdivisions/ld/aim.htm> so we send follow up letters as necessary and track your success.
- If you prefer, provide us with names of potential members. We will send them a pre-approved membership application indicating that they were recommended to join SPE. We can mention your name or if you prefer you can remain anonymous. The choice is yours!

Please fax completed form to (203) 775-8490 or mail to SPE, AIM Program, PO Box 403, Brookfield, CT 06804-9952. Make copies as needed. Thank you!
