

**ANTEC® 2020**  
San Antonio, TX • March 30-April 2, 2020

## **SPE Bioplastics and Renewable Technologies Division**

# **Call for Papers**

**Paper Submission Deadline:** October 25, 2019

**Final paper Deadline:** December 6, 2019

ANTEC® will be held at the Marriott Rivercenter, San Antonio, TX.

**Call For Papers:** <https://www.4spe.org/antecfp2020>

The Bioplastics and Renewable Technologies Division is calling for papers on:

- Technical Developments in Bioplastics and Biocomposites
- Bio-based Plastics
- Biodegradable Plastics
- Sustainability and Circular Economy
- LCA & Carbon Footprint
- Regulation & Legislation
- Process Technologies
- Application Developments
- Design & Innovations
- Compostability

Papers will be reviewed by the Technical Program Committee.

We will present the ***top student paper award*** at the ANTEC 2020 meeting!
