

Press Release

19-March-2024

SPE-Inspiring Plastics Professionals
83 Wooster Heights Road Suite 124, Danbury, CT 06810 USA

The SPE Mold Technologies Division will announce the recipients of four international awards at NPE (the National Plastics Exposition) on May 08, 2024 at 12:00 PM (Noon) in the Moldmaking Technology Magazine, Gardner Publications booth in the South Hall #S30135.

The awards presented annually, by the division are as follows:

- 2023 Mold Maker of the Year, sponsored by HASCO AMERICA, Inc. www.hasco.com
- 2023 Mold Designer of the Year, sponsored by PROGRESSIVE COMPONENTS, Inc. www.procomps.com
- 2023 Mold Repair Technician of the Year, sponsored by MoldTrax LLC www.moldtrax.com
- 2023 Apprentice of the Year – Mold Making, sponsored by PCS Company www.pcs-company.com

2023 marks the inaugural year for the presentation of the Apprentice of the Year for the division and shows further growth in the recognition of practitioners and trainees in the Mold Making Industry.

Along with each award is a \$1,000.00 stipend to be donated to the award recipient's training program of choice.

For additional information on the awards and sponsors, please contact Scott Peters – Division Awards/Operational Chair at Scott.Peters@MoldedMarketing.com or by telephone at +1.330.201.3751.
