

**ANTEC® 2019**  
 Detroit, MI • March 18-21, 2019  
 CO-HOSTED BY SPE DETROIT

THE CONFERENCE FOR PLASTICS PROFESSIONALS

**INSIGHT PROGRAM**

**WEDNESDAY**

- 1:00 PM** **KEYNOTE: The Energy Sector & Disruptive Global Forces**  
 » Amory Lovins, Ph.D., Co-founder, Chief Scientist & Chairman Emeritus, Rocky Mountain Institute
- 1:55 PM** **ADVANCED MANUFACTURING SESSIONS (concurrent):**  
**PANEL 1: Additive Manufacturing: From Design to Production “Strategies for Digital Transformation”**  
 » MODERATOR: Michelle Bockman, Global Head of 3D Printing, HP Inc.  
 » Dana McCallum, Head of Production Partnerships, Carbon  
 » Pat McCuster, Chief Operating Officer, Fast Radius  
 » Ravi Kunju, Sr. VP, Strategy & Business Dev. – Simulation-Driven Design, Altair  
 » TBD
- PANEL 2: The Promise of Nanotechnology & Graphene “From Micro Structures Big Things Will Come”**  
 » MODERATOR & PRESENTER: Lisa Friedersdorf, Ph.D, Director, National Nanotechnology Coordination Office  
 » Debbie Mielewski, Ph.D., Sr. Technical Leader – Sustainability & Emerging Materials Ford Motor Co.  
 » Terrance Barkan, Executive Director, The Graphene Council  
 » Philip Rose, Ph.D., CEO, XG Sciences Inc.
- 3:00 PM** **PACKAGING TRENDS: Smart Packaging & the Impact of E-commerce**  
 » Amanda Williams, Ph.D., Smart Packaging Lead & Sr. Business Unit Manager Jabil Packaging Solutions  
 » Jeffrey Minnette, Sr. Director, Technology & Strategic Development Jabil Packaging Solutions
- 3:30 PM** **The World of Digital & Smart Packaging**  
 » Sriman Banerjee, Head of Packaging, Global Respiratory & Global Wellness Categories, GlaxoSmithKline plc
- 4:00 PM** **Packaging Panel & Group Q&A**  
 » Amanda Williams, Ph.D., Smart Packaging Lead & Sr. Business Unit Manager Jabil Packaging Solutions  
 » Jeffrey Minnette, Sr. Director, Technology & Strategic Development Jabil Packaging Solutions  
 » Sriman Banerjee, Head of Packaging, Global Respiratory & Global Wellness Categories, GlaxoSmithKline plc
- 4:15 PM** **KEYNOTE: Challenges & Opportunities for Plastics in The Future Mobility Ecosystem**  
 » Paul Krajewski, Ph.D., Director, Vehicle Systems Research Lab, Global Research & Development Center, General Motors  
 Keynote sponsored by: 

**THURSDAY**

- 8:00 AM** **KEYNOTE: Global Product Innovation in a Complex World**  
 » Lorraine Justice, Ph.D., Professor of Industrial Design & Dean Emeritus – College of Art & Design, Rochester Institute of Technology
- 8:30 AM** **KEYNOTE: Leveraging Cradle to Cradle® Design for a More Circular Economy**  
 » Albin Kälin, Founder & CEO, EPEA Switzerland
- 9:00 AM** **Key Trends in Sustainability: How Additive Manufacturing Can Address the Challenges of Tomorrow**  
 » John Ortiz, Global Director of Product Stewardship, HP Inc.
- 9:30 AM** **Joint Discussion and Q&A**  
 » Lorraine Justice, Ph.D., Professor of Industrial Design & Dean Emeritus – College of Art & Design, Rochester Institute of Technology  
 » Albin Kälin, Founder & CEO, EPEA Switzerland  
 » John Ortiz, Global Director of Product Stewardship, HP Inc.
- 10:00 AM** **Networking Break**
- 10:30 AM** **PANEL: Lighting as a Design Feature**  
 » MODERATOR & PRESENTER: Mark Torgerson, Technical Marketing Manager, Mobility, Covestro LLC  
 » Robert Miller, Advanced New Business Develop. Mgr., Pacific Insight Electronics Corp.  
 » John Simonetti, VP – Sales & Business Development, GOT Interface
- 11:30 AM** **Lunch Break**
- 1:00 PM** **PANEL: Building & Construction Trends**  
 » MODERATOR: Robert Grace, Content Director, SPE  
 » Ed Hudson, Director of Market Research, Home Innovation Research Lab  
 » Platt Boyd, CEO & Founder, Branch Technology Inc.  
 » Donald Thomson, CEO & Founder, Center for Regenerative Design & Collaboration  
 » Joshua Zabel, VP - Business Development, Kreyler & Associates Inc.
- 2:00 PM** **Panel discussion and Q&A**  
 » MODERATOR: Robert Grace, Content Director, SPE  
 » Ed Hudson, Director of Market Research, Home Innovation Research Lab  
 » Platt Boyd, CEO & Founder, Branch Technology Inc.  
 » Donald Thomson, CEO & Founder, Center for Regenerative Design & Collaboration  
 » Joshua Zabel, VP - Business Development, Kreyler & Associates Inc.
- 2:30 PM** **TRANSPORTATION PANEL: The Future of Mobility**  
 » Debbie Mielewski, Senior Technical Leader – Sustainability & Emerging Materials Ford Motor Co.  
 » Paul Krajewski, Ph.D., Director, Vehicle Systems Research Lab, General Motors Global Research & Development Center  
 » TBD
- 3:30 PM** **Panel discussion and Q&A**  
 » Debbie Mielewski, Senior Technical Leader – Sustainability & Emerging Materials Ford Motor Co.  
 » Paul Krajewski, Ph.D., Director, Vehicle Systems Research Lab, General Motors Global Research & Development Center

\* As of 1/18. Agenda subject to change.

**INSIGHT**
