

EUROPEAN ADDITIVES & COLOR CONFERENCE

Frankfurt, Germany • March 27–29, 2019

Presented by SPE Additives and Color Europe Division

SPE's Additives & Color Europe Conference moves to Frankfurt!

This biannual conference is the best place to learn about the latest in state-of-the-art additives, pigments & dyes and master batches for plastics, and connect with the entire industry value chain, from raw material and equipment suppliers to OEMs (Original Equipment Manufacturers).

Volkswagen, Tupperware, Danone, Mondelez, A. Schulman, BASF, Sabic, Bayer Material Science, DuPont, 3M, Evonik, Leistritz, Ferro, Shepherd Color International and many other key industry leading companies throughout the value chain have actively participated in previous conferences.

Our audience is a very technically-oriented group of industry players coming from all around Europe.

2019 Conference Focus:

- » Better understanding of OEM's expectations on additives, pigments & dyes and masterbatches to better meet their growing needs.
- » Presenting the latest product novelties
- » Sharing knowledge on hot topics related to additives and color, functional colors, extending life of plastics, and regulations, etc.

Who Should Attend:

- » OEM (Original Equipment Manufacturers), Designers & Specifiers
- » Converters
- » Masterbatch & Compound Producers
- » Polymer, Additives & Pigment/Dye Producers
- » Equipment & Instrument Producers
- » Chemical Distributors
- » Research & Development Centers

Why Attend:

Attending this conference allows you to keep a finger on the pulse of advancements in the world of additives and color. In addition to the technical speakers and presentations, we also offer the opportunity for companies to present their goods and services by means of table-top displays.

The nature of our organization, which is led by volunteers, provides a very friendly and personal atmosphere, making the conference the ideal venue for networking and establishing contacts throughout the industry.

Registration Fees

SPE Member: \$850
Non Member: \$1020

Conference fees include access to seminar, welcome cocktail, conference dinner, coffee breaks and lunches.

Fee for seminar only: \$175

Organized By:

The Society of Plastics Engineers (SPE) is home to 22,500+ plastic professionals in 84 countries around the world. We unite plastics professionals worldwide –helping them succeed and strengthening their skills through networking, events, training, and knowledge sharing. No matter where you work in the plastics industry value chain-whether you're a scientist, engineer, technical personnel or a senior executive-nor what your background is, education, gender, culture or age-we are here to serve you.

Additives and Color Europe (ACE) is a Division of SPE. It is the purpose of ACE to stimulate and diffuse the knowledge of the modification and the coloration of plastics and polymers in Europe and to provide a platform to the plastics additives and colors community.

TECHNICAL PROGRAM

WEDNESDAY, March 27

13:00 - 17:15 Seminar + Conference Registration

SEMINAR

13:30 - 14:15 **Part 1: Additives**
Kathrin Lehmann, Evonik

14:15 - 15:00 **Part 2: Flame Retardants**
Wiebke Wunderlich, ADEKA Polymer Additives Europe

15:45 - 16:30 **Part 3: Masterbatches/Processing**
Sebastian Fraas, Leistriz

16:30 - 17:15 **Part 4: Antioxidants**
Klaus Keck, Songwon

18:30 - 20:00 **Networking Reception**
@ Le Méridien Frankfurt

THURSDAY, March 28 - AM

07:45 - 10:00 Conference Registration

CONFERENCE

08:30 - 08:40 **Welcome & Introduction**

08:40 - 09:05 **FR Mechanism for Plastics and Halogen Free Solutions**
Micaela Lorenzi, Ethel Garlaschi
GreenChemicals, Italy

09:05 - 09:30 **Circular Additives - Concepts for Recycling of Metal and Chemical Additives**
Willem De Vos, Campine, Belgium

09:30 - 09:55 **A New Approach - Synergistic OMS Additives which Cooperate with Flame Retardants**
Kathrin Lehmann, Evonik, Germany

09:55 - 10:05 **Q&A Session**

10:45 - 11:10 **Licocare® RBW, Clariant's Innovative Lubricants and Dispersing Agents Based on Renewable Feedstock**
Manuel Mueller, Clariant, Switzerland

11:10 - 11:35 **Benefits of Looking Inside of a Processing Extruder in Real-time**
Fuat Eker, Colvistec, Germany

11:35 - 12:00 **360° View on Color Masterbatches**
Sebastian Fraas, Leistriz, Germany

12:00 - 12:10 **Q&A Session**

12:10 - 13:45 **Buffet Lunch**

THURSDAY, March 28 - PM

13:45 - 14:15 **Silver & Gold Sponsors Infomercials**

14:15 - 14:40 **Overcoming the Challenges of Colouring Engineering Polymers**
Paul Glas, Milliken Europe, Belgium

14:40 - 15:05 **Color Solutions for Plastics in Contact with Food**
Daniel Llado, Ferro, Spain

15:05 - 15:30 **Innovative Complex Inorganic Color Pigments: Pushing the Yellow-Orange Envelope**
Mark Ryan, The Shepherd Color Company, USA

15:30 - 15:40 **Q&A Session**

16:20 - 16:45 **Color Change in Accelerated Weathering Testing of PVC Plastics**
Andy Francis, Q-Lab Corporation, USA

16:45 - 17:10 **Ultra Accelerated Weathering: Technology Insights and Results by SEVAR's UAW® Experimental Equipment**
Bruno Sallé de Chou, Eukem, France

17:10 - 17:35 **TBD**
Marc Dumont, BASF, Switzerland

17:35 - 17:45 **Q&A Session**

18:45 **Conference Dinner**

FRIDAY, March 29 - AM

09:00 - 09:25 **Sappi Symbio - Solution for More Sustainable Automotive Materials**
Ana Luisa Matos Vaz, Sappi, The Netherlands

09:25 - 09:50 **New Opportunities for Additives Through Circular Economy**
Rudolf Pfaendner, Fraunhofer Institute, Germany

09:50 - 10:15 **NIAS - A Challenge for Plastic Food Packing Materials**
Svein Jamtvedt, Norner, Norway

10:15 - 10:25 **Q&A Session**

11:10 - 11:35 **Characterization of Early Stage Ageing of Polymer Using Nano Characterization Techniques**
Laurence Romana, Université des Antilles - Campus de Fouillole, Guadeloupe

11:35 - 12:00 **Extending the Value of Polyolefins to Accelerate Growth**
Ivan Vulic, Cytec-Solvay, Belgium

12:00 - 12:25 **Development Of Robust Polyolefin Stabilization System: Kinetic Study and In-Polymer Performance**
Hayder Zahalka, Addivant Global Technology, USA

12:25 - 12:35 **Q&A Session**

12:35 - 12:45 **Closing Remarks**

12:45 - 14:00 **Buffet Lunch**
