

Creating a login from the ANTEC® 2020 Event in the App

STEP 1

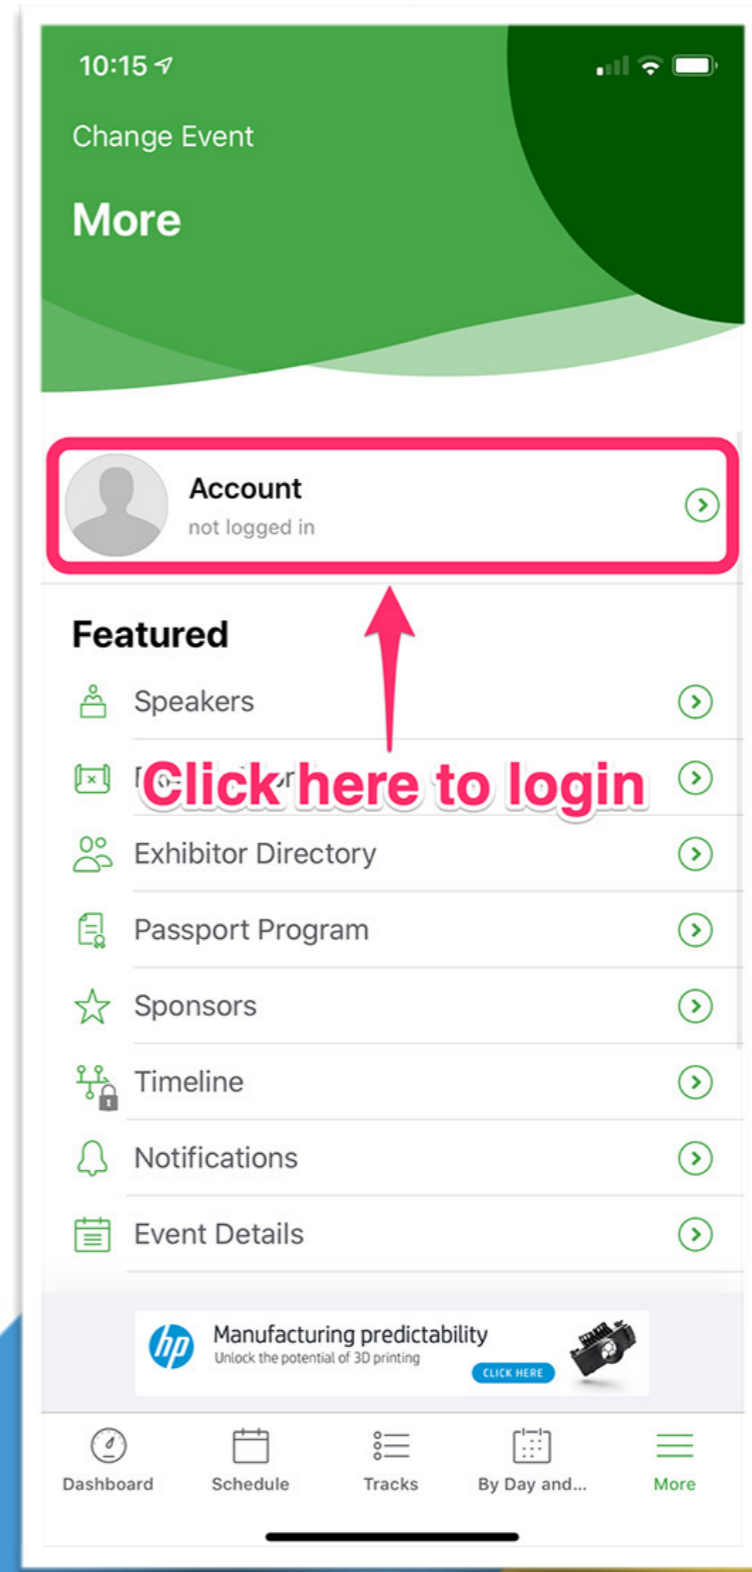

Click on the **More** option on the menu at the bottom right of the screen.

STEP 2

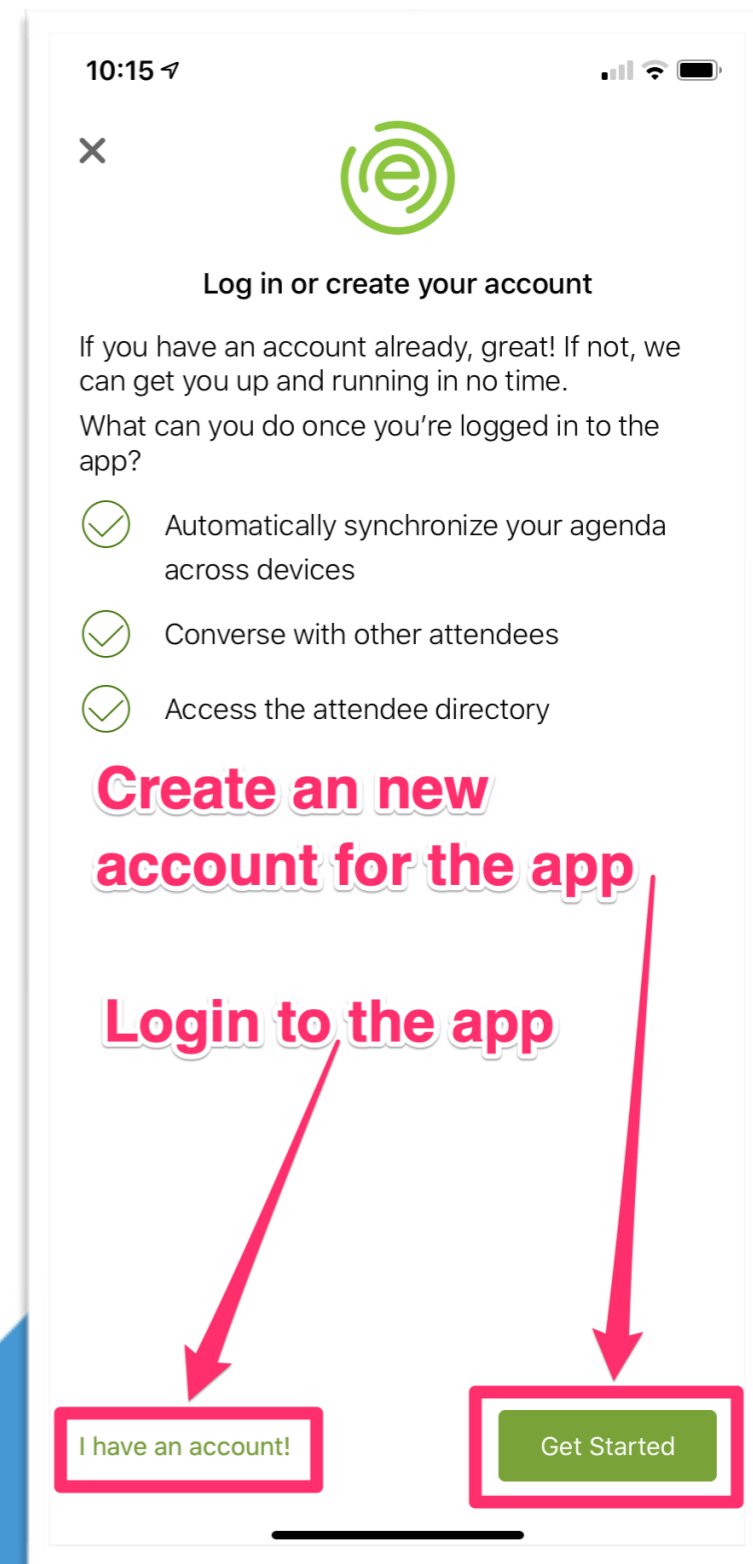

On the **More** screen, click on the menu option **Account – not logged in**.

STEP 3

Once you clicked “Account – not logged in”, you’ll land on the “Log in or create your account” screen.

STEP 4

Click the **Get Started** button.

It will take you to the sign-up screen, **enter the email address used to register for ANTEC® 2020.**

Once finished, click on the **Sign Up** button.

The screenshot shows a mobile sign-up interface. At the top, the time is 10:15 and there are icons for signal strength, Wi-Fi, and battery. A close button (X) is in the top left, and a green circular logo with an '@' symbol is in the top right. Below the logo, the text reads: "Please use email address associated with your event registration or organization". There are three input fields: 1) An email field with a placeholder "user@example.com" and a sub-label "Your primary email address (we'll never share this)". 2) A confirm email field with a placeholder "user@example.com" and a sub-label "Confirm email". 3) A password field with a placeholder "password" and a sub-label "Create your password". Below the password field are two name input fields: "First/Given" and "Last/Surname", with a sub-label "Your name, for directories and messaging". At the bottom, there is a link "Have an account?" and a green "Sign Up" button. A "Privacy Policy" link is at the very bottom.
