Submitting a Review

“Your Assignments” page will open with a chart listing the papers you are responsible for reviewing. Click on the paper’s Title to open submission.

Submission will open in a new window and paper can be accessed by clicking the link in the submission under “Technical Paper.” The paper can be saved on your computer for later access.

On the “Your Assignments” page, click “Submit Review” button to open review form.

Fill out review form, click the “Submit” button to submit your review.

After submitting review, you will be taken back to “Your Assignments” page. You may review your other papers by following same process.
