Program Schedule

Time	Session	Company	Speaker	Designation	Topic
09:00 – 09:15	Seminar Opening	SPE ASEAN	SPE Asean Committee		Opening Statement and SPE updates
09:15 – 09:45	Speaker 1	S&P Global Energy	Mr. Andrew Ng	Director, Consulting	Driving change: The vital role of material transition and circularity in shaping a sustainable future
09:45 – 10:15	Speaker 2	Effinno Technologies Co., Ltd.	Mr. Hank Tsai	Founder & Consultant	Solving Injection Molding Warpage Problems by Taguchi DOE
10:15 – 10:45	Speaker 3	Sun Ace Kakoh (Pte) Ltd	Mr. Goo Poh Ting	Head of Sales and Marketing	Exploring innovations in additive dispersion technologies and PFAS-free polymer processing aids
10:45 – 11:00	Morning Break				
11:00 – 11:30	Speaker 4	Ineos Styrolution	Mr. Obermain	Product Manager	ABS ECO solution in achieving sustainability goal.
11:30 – 12:00	Speaker 5	Evonik (SEA) Pte Ltd	Mr. Jack Chee	Business manager	Solutions for the replacement of Fluoro-based Polymer Processing Aid
12:00 – 12:30	Speaker 6	Mettler Toledo (S) Pte Ltd	Mr. Max Usachev	Technical Manager	Advanced Thermal Analysis for Rapid Identification of Polymer Composition in Plastic Recycling
12:30 – 12:45	Seminar Sponsors Appreciation	SPE ASEAN	SPE Asean Committee		Presentation of Certificates
12:45 – 14:00	Lunch Break				
14:00 – 14:30	Speaker 7	Omya Singapore Pte Ltd	Mr. Joshua Tan, Ms. AyeAye Aung	Associate Scientists	Omyamax , a new CaCO ₃ grade designed for optimal dispersion, filler loading, and productivity in plastic compounding
14:30 – 15:00	Speaker 8	Siemens Digital Industries Software	Mr. Chan Ray Mun	Technical Manager	AI-powered Simulation-Driven Design for Plastic Injection Molding
15:00 – 15:30	Speaker 9	Milliken Asia Pte Ltd	Mr Samuel Yap	Technical Manager	Milliken Plastic Additives – Together, our chemistry is powerful
15:30 – 16:00	Speaker 10	Nanyang Technological University	Dr. Lee Mun Wai	Strategic Lead, Industry Engagement	Polymer R&D Breakthroughs – From a Materials Science Perspective
16:00: 16:15	Closing Remarks	SPE ASEAN	Committee		
16:15: 17:00	NTU SME tour (optional)	Nanyang Technological University	Dr. Aravind Dasari	Professor	-
