

COLOR & APPEARANCE

# SUMMER 2016

## Chairman's Message

Welcome to the Summer edition of CADNEWS® !

On behalf of the entire division, I would first like to recognize and express appreciation to Jeff Drusda for his leadership of the Color and Appearance Division this past year. During Jeff's term, our division was recognized with the Pinnacle Gold and Communications Excellence Awards by SPE. Under Jeff's leadership, we also had a very successful CAD RETEC® 2015 in Indianapolis, IN and two Color and Appearance Division sessions at ANTEC® 2016.

I hope you all had an enjoyable summer, although it has been a very hot one this year! As summer draws to a close and we approach the time for our children to start back to school or college, it will also soon be time for my, and hopefully your, favorite event of the year: CAD RETEC®!

This year's conference will take place September 11th- 13th in Ponte Vedra, Florida at the beautiful Sawgrass

Marriott Resort and Spa. This will be our 54th year for CAD RETEC®. Scott Aumann is our Conference Chair and he has been working diligently with our Technical Program Chairs, Mike Willis and Betty Puckerin, to put together an exciting program. We are particularly pleased to announce several key note speakers, including Teresa Patton of InVisiOSM, Dr. Weiping Yu of NASA, Greg Autore of Purple Suit, Inc., and William DeVos of SPE. This year also features the return of the pre-conference seminar, "Coloring of Plastics" instructed by Bruce Mulholland and the New Technology Forum hosted by Sandra Davis. The annual Golf Outing will take place on Sunday and please join us for the Welcome Reception Sunday evening and the Networking Reception in the Exhibit area on Monday evening. As we have for many years now there will be a 5K Fun Run/Walk Tuesday morning with all proceeds donated to Habitat for Humanity.

The CAD RETEC® is the premier event for the coloration of plastics. It is the only conference of its kind and draws 450 to 500 attendees from all functions of business including technology, manufacturing, sales, and procurement. Not only is it a technical conference focused on development, manufacturing and research in the field of color science, color measurement, and coloring plastics, it also provides

# CAD NEWS®

PUBLISHED BY THE COLOR AND APPEARANCE DIVISION OF THE SOCIETY OF PLASTICS ENGINEERS

## Chairman's Message (continued)

a unique opportunity to network with colleagues, customers and suppliers. If you have not attended a CAD RETEC® in the past, you are really missing out!!

It is not too late to register for the event. Please refer to our website: [www.specad.org](http://www.specad.org) to register for the conference, hotel, and other events.

The Color and Appearance Division Board of Directors just had our Summer meeting earlier this month in Denver, CO. We will hold our next meeting on Wednesday morning, September 14th, immediately following RETEC®. All members are welcome. Please just contact me or another Board Member if you would like to attend.

I would like to close with a special thanks to entire Board of Directors team. They are the most dedicated team of professionals I have ever had the opportunity to work with. This year we have several newly elected faces on the board: Mark Ryan, Chuck DePew and Breeze Briggs.

Thank you all for your continuing support of the Color and Appearance Division. I look forward to seeing you all in Ponte Vedra!!

Best Regards,

*Brenda Mullins*

2016-2017 SPE CAD Chair

### SPE Color & Appearance Division Mission Statement

The Color and Appearance Division of SPE strives to educate, train, inform and to provide professional interaction opportunities to the global community involved in visual performance and aesthetics of plastics.

## Editor's Note

We are just a couple weeks away from RETEC® 2016 in Ponte Vedra Beach Florida at Sawgrass Resort and Spa. There are many great technical presentations being offered at this year's conference and the Technical Program Schedule is listed here in this Newsletter. There are five Keynote speakers this year discussing various topics of interest to those of us in the Color and Appearance industry. Tuesday afternoon's session starts with panel discussion on Regulatory issues as it pertains to the plastics industry. There will be people from companies that represent the Color and Appearance Division as well as an active representative from the FDA is on the panel. Topics that will be up for discussion range from REACH and EU food compliance, Asia (China or India) to FCN process and questions compounders would field from customers. Also, they will be discussing about new and upcoming changes in the Regulatory world to help prepare you for what's around the corner. Don't forget about all the exhibitors that will be eagerly waiting to answer your questions and demonstrate their products or services.

There will be the New Technology Forum on Monday late afternoon where companies get 5 minutes to talk about a new product their companies are releasing. Stop in and listen to what's new and then join us directly afterwards at the networking reception with appetizers and drinks to wind down the day!

The Awards Luncheon on Tuesday is part of your registration and allows you to see what members of your division have been up to the past year. It is also a time to show appreciation and acknowledgments to all of the sponsors that make these RETEC®'s happen.

Also coming back in the winter issue will be ad space that will allow you to advertise your company in the Color and Appearance Division Newsletter which is visible by over 1000 members in the Industry. We have taken a little hiatus to reset our ads space directive and now are ready to accept your logos and ads for the upcoming editions. There is information in this edition on how to be a part of the newsletter so if advertising in the Newsletter is something of interest to your company please follow the information supplied on page 10.

Come experience RETEC® 2016 and see all that we have put together for the division. Look forward to seeing everyone there.

Mark Tyler

2016-2017 SPE CAD Newsletter Chair

## Thank you CAD RETEC® 2016 Sponsors!

Registration fees for attendees are kept low in part by the generous donations of corporate and individual sponsors.

We'd like to say a special thanks to these generous sponsors and recognize their support of the conference.

Watch for sponsorship signs during the conference to see which event each of the companies below sponsored.

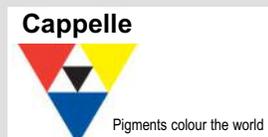

### Platinum Level Sponsors

### Gold Level Sponsors

### Silver Level Sponsors

September 11th – 13th  
Sawgrass Resort  
Ponte Vedra Beach Florida

1000 Pga Tour Blvd  
Ponte Vedra Beach, FL 32082

Hotel Registration— Block deadline has expired but contact [Scott Aumann](#), Conference Chair, to see if there is a room left in the Block or call the hotel direct at 904-285-7777

To see if there is still time to be a Sponsor or for any Sponsorship opportunity information, please contact: [Cheryl Treat](#) or +1 419-217-0862

## SOCIETY OF PLASTICS ENGINEERS 2016 CAD RETEC® GOLF OUTING

**Course Location:** 1 King and Bear Drive, Saint Augustine, FL 32092 (904) 940-6088

[The King & Bear](#) is the only golf course in the world that has been co-designed by Arnold Palmer and Jack Nicklaus. This course offers a mixture of two different design styles. The front nine is an open, links-style layout that gives a nod to the heritage of the historic city of St. Augustine, Florida. The back nine is more traditional Florida golf fringed with loblolly pines, 200-year-old oak trees, indigenous coquina rock, and numerous water features.

After golf we will have the pleasure of visiting the World Golf Hall of Fame and see the legends of the game all in one place. Both the Stadium and Valley course will closed during our visit to Sawgrass.

- Price:** \$125.00 per golfer  
**Includes:**
- ◆ Warm ups on the Range
  - ◆ Green Fees
  - ◆ Cart Fee
  - ◆ Awards (hole prizes)
  - ◆ Scramble format
  - ◆ Admission to [World Golf Hall of Fame](#) after Golf.

[Caddies and Forecaddies](#) are available upon request  
[Callaway Rental clubs](#) are available upon request

### Schedule (EST)

Sunday, September 11th  
Registration: 8:00am to 8:45  
9:00 am Shotgun Start

**Questions Contact:** [Mark Tyler](#) (859) 372.3221 or [Mark Freshwater](#) (201) 665.0091

# 2016 CAD RETEC®

September 11 – September 13, 2016 Ponte Vedra Beach, FL  
Sponsored by the Color & Appearance Division of SPE  
**MAIL-IN/FAX REGISTRATION FORM**  
Attn: Bruce Mulholland

## CONFERENCE INFORMATION

(SELECT ONLY ONE TYPE OF REGISTRATION)

### SPE Member

Late / On-site \$440

### SPE Non-Member:

Late/Onsite (includes SPE membership) \$590

Late/Onsite (decline SPE membership) \$650

### OTHER REGISTRATION TYPES:

Speaker/Moderator \$170

Student (w/ Valid Student ID): \$ 50

Emeritus: \$100

Tabletop after 8/12/16 \$1,175

Each registration includes one access pass to all papers per registrant. Tabletops include two full conference registrations.

### EXTRA CONFERENCE LITERATURE:

Extra RETEC® 2015 \$115 x \_\_\_\_ = \$ \_\_\_\_\_

Archive DVD (1961-2007 ) \$175 x \_\_\_\_ = \$ \_\_\_\_\_  
(available on site)

Membership Renewal

SPE membership dues renewal \$109

### OTHER EVENTS REGISTRATION/RSVP

(MARK RESPONSE/INDICATE QUANTITY)

Opening Reception (Sunday) RSVP: Yes No FREE

Awards Lunch (Tuesday) RSVP: Yes No FREE

Golf Outing (Sunday): \$ 125 x \_\_\_\_ = \$ \_\_\_\_\_

5K Fun Walk (Tuesday): \$ 20 x \_\_\_\_ = \$ \_\_\_\_\_

“Coloring of Plastics” Tutorial (Sunday): \$490

Total due from all items checked above: \$ \_\_\_\_\_

\* No refunds after August 26, 2016

\* SPE Memberships are processed after CAD RETEC®

### Circle answers below:

Is this your first CAD RETEC®? Yes No

If no, have you attended a CAD RETEC® in the last five years? Yes No

# CAD RETEC® SCHEDULE & TECHNICAL PROGRAM

(Subject to Change – Check website for current details)

## SUNDAY, SEPTEMBER 11

**PRE-CONFERENCE SEMINAR:** 8:30am – 4:30pm

Coloring of Plastics with Bruce Mulholland. *(Separate Registration required)*

**GOLF OUTING** 10:30am – 4:00pm *(Pre-register for this event)*

**WORLD GOLF VILLAGE, KING & BEAR COURSE**

8:00am – 8:45 Registration at course

9:00am – Shotgun start

4 person scramble format

\$125 Fee. See page 4 for details. Golf Outing Prizes will be presented at the Welcome Reception.

1:00pm – 8:00pm **Registration Desk Open**

1:00pm – 5:30pm **Exhibitor Set Up**

8:00pm – 10:00pm **Opening Reception** Arbor Ballroom

**Dessert Reception**

**Music by Color Eye Blind**

Welcome Reception Sponsors: EMD Chemicals and A.Schulman

## MONDAY, SEPTEMBER 12

7:00am **Breakfast** *Sponsored by LANSCO and SHEPHERD COLOR*

7:00-5:00 Registration desk opens

### MORNING SESSION - MASTER BALLROOM

**Moderator:** Scott Heitzman, *Sun Chemical*

8:15 **Opening Remarks** *Scott Aumann, Technical Manager EMD Performance Materials*

8:30 **Keynote:** InVisiOSM Color Inspirations 2017, a collection of four influential and emerging color trends which have been masterfully executed in polymer featuring unique special effects

*Theresa Patton, PolyOne*

9:30 Using Resins as a Reflective Medium for Interference Effect Pigments.

*Breeze Briggs, BASF*

10:00 **Coffee Break (Exhibits Open)** *Sponsor: SunChemical*

10:30 Fundamentals of Twin-Screw Extrusion Scale up: The Bump in the Road Between Development and Commercialization

*Paul Andersen, Coperion Corporation*

11:00 New Solutions to improve the recyclability of Black Plastics

*David Giner, Al-Farben S.A.*

11:30 Organo-Ultramarine Pigments – the story continues....

*Dr. Mark Vincent, Dominion Colour Corp.*

12:00 LUNCH **BBQ Lunch Available For Purchase**

### AFTERNOON SESSION

**Moderator:** Betty Puckerin, *Ampacet*

1:30 The Color and Performance of Environmentally Friendly CI Pigment Brown 48 in Plastics

*Shigeru Suzuki, Tomatec*

2:00 In Search of the Perfect Black Pearl

*Jonathan Doll, Sun Chemical*

2:30 Expanding the Palette of Cool Colors Solutions

*Nathan Karszes, Ferro Corporation*

3:00 **Coffee Break** *Sponsor: Clariant*

3:30 **Keynote:** Specifications & Test Methods

*Betty Puckerin, Ampacet Corporation*

4:00 **Keynote:** A New Understanding of Theory of Light and Colors

*Dr. Weiping Yu, NASA*

5:00 New Technology Forum

*Sandra Davis, Chemours Company*

6:00 Reception at Champions Rooms D-H *Sponsor: FERRO*

## TUESDAY, SEPTEMBER 13

7:00am 5K Fun Run/Walk for Habitat for Humanity Plastics *(Pre-register for this event)*

*Sponsor: Dominion Colour*

7:30-3:30 Registration desk opens 8:00am-3:30pm Tabletops

### MORNING SESSION

**Moderator:** Nathan Karszes, *Ferro Corporation*

8:30 **Keynote Address** Color Perspective

*Greg Autore, Purple Suit, Inc*

9:30 **Coffee Break** *Sponsor: Kronos*

10:00 Improved Dispersion of Organic Pigments in Masterbatch

*Robert Roden, SteerAmerica*

10:30 New Innovative Color Alternatives for the Engineering Polymers Market

*Edward daPonte, Cappelle*

11:00 Quality Control of Pigments for Thin Wall Articles

*Mahesh Metteloo, Sudarshan Chemical Industries Ltd*

11:30 **Awards Luncheon** *Sponsor: Tronox*

*Champions Rooms A-C*

### AFTERNOON SESSION

**Moderator:** Sandra Davis, *Chemours*

1:30 PANEL: Regulatory Topics for the World of Plastics

*Tad Finnegan, BASF*

*Panelists: Courtney Coleman, Color Research Chemist, Ampacet*

*Ivan Gronning, Global Regulatory Affairs Manager, Sun Chemical*

*Patricia Iscaro, Sr Regulatory Analyst, 3E*

*Thomas C. Zebovitz, Consumer Safety Officer, FDA*

2:30 **Coffee Break** *Sponsor: Chemours*

3:00 **Keynote:** The Future of Plastics in Our Connected World

*Willem De Vos, Society of Plastics Engineers*

3:30 Review of Twin Screw Extrusion Parameters That Impact TiO<sub>2</sub> Dispersion

*Philipp Niedenzu, Chemours Company*

4:00 New Innovative Technology for 3D effects in Injection Molding Plastics

*Scott Aumann, EMD Performance Materials*

4:30 Closing Remarks and Survey Raffle

*Scott Aumann, EMD Performance Materials*

*(WINNERS MUST BE PRESENT TO WIN)*

## Board Minutes

Dear Members:

Just a reminder that you can view past and current BOARD MINUTES on the SPECAD website.

We do not typically publish the minutes in the electronic versions of our newsletter, but they are always available for our members to view from our website.

Also, our Treasurer's Report is listed in the minutes as an attachment. All available on the link below.

## Memorial Resolution for George Rangos

WHEREAS, God with infinite wisdom has removed George Rangos from our ranks on April 20, 2016, and

WHEREAS, George Rangos has been an active and valued member of the Society of Plastics Engineers since 1979 and SPE Color and Appearance Division since 1992, and

WHEREAS, George Rangos served as the member on the Board of Directors of the Color and Appearance Division from 1992, and served as Chair of the Board of Directors, Councilor, and the Chair of the Endowment Committee, and

WHEREAS, George Rangos' continued efforts and contributions to the development of Society of Plastics Engineers Color and Appearance Division, have made an important mark in areas served by Society of Plastics Engineers.

Be it therefore resolved, that the Board of Directors of the Society of Plastics Engineers, Color and Appearance Division, in General Session assembled this day August 3, 2016, bestow honor and pay respect to George Rangos.

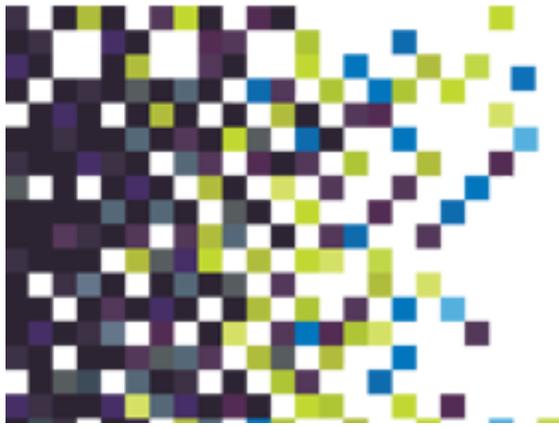

Be it further resolved, that this resolution be spread in the official minutes of Society of Plastics Engineers, Color and Appearance Board of Directors and that a copy of this resolution, along with our sincere sympathies, be conveyed to his family.

### Call for Nominations

#### CAD BOARD 2016-2019

The Color & Appearance Division is calling for nominations of interested and qualified SPE members to serve on our Board of Directors in the upcoming term. This is a great opportunity to serve the industry and for it to serve you with professional networking. Share your expertise and ideas to help promote SPE, the industry, and your company. Qualified nominees will run in the upcoming elections. Terms are a 3 year commitment.

If you or someone you know would like to serve on the board, please contact Brenda Mullins [Brenda.mullins@xxxclariant.com](mailto:Brenda.mullins@xxxclariant.com) (remove xxx after ampersand before emailing)

# ANTEC® 2017

the annual plastics technology conference

May 8-10, Anaheim, CA

## Color & Appearance Division CALL FOR PAPERS

ANTEC® Anaheim 2017  
Conference Dates: May 8 – 10, 2017  
Hilton Anaheim Anaheim, California

Paper Submission Deadline: January 13th, 2017 – 5:00pm EDT

ANTEC® is the world's largest plastics technical conference. Your paper, even in draft form, MUST be submitted by that deadline to be included in the program.

The Color & Appearance Division will be holding our annual technical sessions during this conference and would like to encourage you and your company to participate by presenting a paper. We would consider any paper related to the color and/or appearance of plastic and the following categories would be typical topics:

**Color Trends**  
**Decorative or Special Effects**  
**Color Measurement**  
**Color Matching Techniques**  
**Instrumentation/Test Methods/Quality Control**  
**Stabilization of color**

**Materials (Colorants, Additives, Plastics)**  
**Property Retention/Durability**  
**Troubleshooting or Innovation in the color area**  
**Regulatory Issues**  
**Processing and Equipment**  
**Other Color/Appearance Related Topics**

Plastics industry professionals who submit papers at ANTEC® 2017 have a choice between two tracks: technical or commercial. The technical track includes more traditional ANTEC® papers, which address new technologies and techniques currently in development in the plastics industry. The commercial track is for papers that speak to commercial applications of these technologies and techniques, and can be similar to a case study.

**Papers can be submitted on the ANTEC® website at ANTEC® 2017.**  
**For more information visit the site or contact Ed Ford at (302) 697-2566.**

Ed Ford  
ANTEC® 2017 CAD Technical Program Chair  
(302) 697-2566

## ABOUT 2016 CADNEWS® SPONSORSHIPS

Mark Tyler, the CAD Newsletter Editor, publishes at least (3) issues of the CAD Newsletter per calendar year. This publication is e-mailed to approximately 1,000 Plastic Color Industry professionals and is also posted on our website at <http://www.specad.org>.

In addition, the newsletter is posted on the Society of Plastics Engineers website technical area. Three (3) issues appear in electronic form annually and each sponsor placement is automatically linked directly to your website when the viewer clicks on your ad, provided you supply us with your website address. Participating in a sponsorship in the CADNEWS® is a great way to connect with plastic coloring industry professionals by promoting your company and the services you offer. Listed below are the types of sponsorships available and the associated costs (figuring total suggested sponsorship amount for 3 issues) for the calendar year.

DESCRIPTION	ORIENTATION	COLOR OPTIONS	SUG. \$
1-unit size (2" high x 3.625" wide)	Landscape	B&W option only:	\$ 300
3-unit size (6" high x 3.875" wide)	Portrait	RGB or B&W:	\$ 800
Mid size (4.5" high x 8" wide)	Landscape	RGB or B&W:	\$1,250
Full page (8.5" high x 11" wide.)	Portrait	RGB or B&W:	\$2,500

Sponsorship Changes and/or Updates: \$35

*If you want the ad to change after the first edition, the above charge will be assessed for each update, otherwise your ad will run as initially submitted in all issues for the term.*

Please submit all artwork in one of the following preferred formats: .png .eps or .pdf (*fonts and images embedded*).  
File size limit 800KB

**If you interested in becoming a sponsor in  
CADNEWS® please contact [Brian West](#)  
865-425-2113**

If you any question regarding ad specification or formats, please contact Joyce Kunath, Peacock Graphics 847-341-4066

## Invitation to Attend Our Board Meetings

The Color and Appearance Division regularly holds Board of Director (BOD) meetings at the ANTEC<sup>®</sup> and the CAD RETEC<sup>®</sup>. In addition, a Summer BOD meeting is typically held about 6 weeks prior to the next CAD RETEC<sup>®</sup>.

The Summer meeting is scheduled in various locations. A Winter BOD meeting is held in January. The Winter meeting is typically held at a site of a future CAD RETEC<sup>®</sup>.

Any SPE CAD members who wish to attend are welcome at these meetings. If interested in attending the next Board meeting, please contact the Division Chairperson for more information.
