Two Major Events Today and Tuesday

Tonight is the [Detroit Section Material Auction](#) beginning at 4:30pm. Don't miss this event even if you are not bidding. It's a great time for networking, fellowship, entertainment, and a fabulous dinner. Next Tuesday is the [AutoEPCON](#) which we co-sponsor at the Troy-Marriott. It's a full one-day conference with 3 concurrent sessions covering the very latest in engineering plastics for the auto industry. Be sure to check out the Sessions, Speakers, Abstracts, and Exhibits on your free app for [SPE Events](#), and plan your schedule for the day.

Happy Birthday to Us

The Detroit Section is 75 years old and was the founding group of the Society of Plastics Engineers. Be sure to read the April 24 [Plastics News](#) which is devoted to the 75th Anniversary of SPE. We are pleased to have our ad to say how proud we are to have been the founders of this great international society.
