MILACRON PLANT TOUR AND MULTI-COMPONENT TECHNOLOGIES

March 4, 2004

Mark your calendars and get your reservations in early. Milacron's Plastic Machinery Group is hosting an SPE night for the March meeting.

This is a chance to visit the premier plastic machinery manufacturing facility in the U.S. The evening meeting will include a presentation of the latest in multi-component molding. A plant tour will follow the presentation. A review of several multi-component machines in various stages of construction is possible during the evening's tour.

PRESIDENT'S MESSAGE

I would like to thank all that attended our last meeting, even with the bad weather. I hope to see many more of you at our next meeting as it should be of interest to you. We will be touring the Milacron Plant in Batavia, OH. I urge you to make your reservations as soon as possible as they are required to attend. Details on time and directions are on the cover of the newsletter. Hope to see all of you at the March meeting!

Paul Moore, President
