

The Smoky Mountain SPEctator

The Monthly Newsletter of Section 92 of the Society of Plastics Engineers May 3, 2018

The 2017-2018 SPE year is ending with a flurry of activity! The Dream It Do It - What's Cool About Manufacturing competition for Middle Schoolers voting closed last week and two of the companies process plastics. Go Plastics!

ANTEC and The National Plastics Exposition (NPE) open Monday May 6th co-located at the Orlando Convention Center. See you there! The last Smoky Mountain Section function of the 2017-2018 term is a joint Golf Outing with the Tennessee Valley Section in Fairfield Glades and then we're out for summer.
